SOLE-PRACTICE

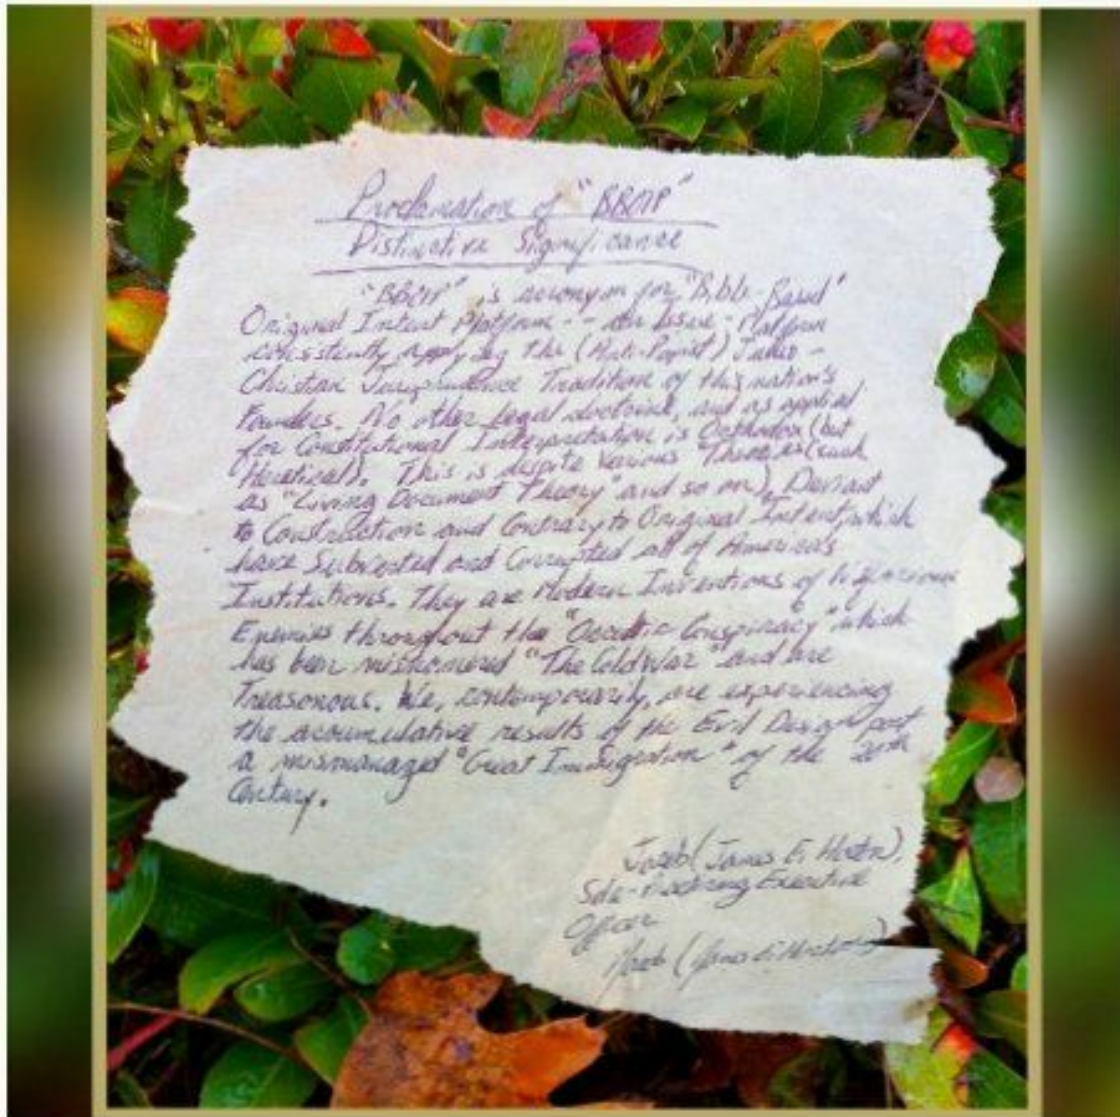

administration of causes and matters Defending the Foundation of the United States of America during this contemporary, deviant and precedentally idiosyncratic time of crisis. Established a decade ago, its icon, therefore, is chosen to be upon the background of “The Bedford Minuteman Flag of 1775” sideways. (Actually, an accident sometimes can be by Providence. I glued it sideways in a hurry. Launch initiated 12022020: **still under initial construction.**)

Current-Function Statement:

In lieu of Caused Damages during Epidemic Crisis, functioning of this Institute is practically limited to that of its Department of the Attorney Advocate, Jacob (James E. Horton, Pro Se) for its own legal matters and affairs and its Department of Media Communications purposely.

Divine Purpose statement

The Purpose of this Institute is limited as God's Grace upon its Calling is Distributed according to His Will amidst severe exigencies. Therefore, correctly, it functions as Abmt, with vocational intention in Faith that its actions serve Christ as the Lord will fulfill His Sovereign Purposes (for them) according to His Will in His Divine Justice (Romans 8:28).

By anomalous word-wrap, service has conspicuously obscured following description text:

Videos from a past channel during post911 controversies, an economic crisis and a Fema Concentration Camp threat. There were many unresolved (still, as of yet) legitimate concerns. It's been hijacked by Satanic Organized Criminals. Now, earthlings [hypothetically, assuming all these humanoids are, which

seems doubtful with recent behavior fluctuations and anomalies per Looptank Effect Syndrome and other unnatural and artificial factors throughout society worldwide, when I am certain space aliens do not exist, but demon possession does; Daniel recorded, of his vision, that this is all beyond understanding and made him ill for days] have entered a period, without previous resolution, post the G20 Global Summit held in Pittsburgh (near my town of birth) at the suggestion of Obama (an associate of relatives I have never condoned and have disowned) in secret treason with

Russia and China. An illegal, secret contract (defying law relevant to treaties) was formed (but illegal contracts are null and void). They sat at a table and lied to each other as Daniel prophesied. They are MAD! National Security Council is NOT legitimate government or authority and must be addressed as internationally criminal. Check this out Feds. STOP colluding!

By anomalous word-wrap, service has conspicuously obscured following description text:

SEE “This Was My UTR”: This was research and Workproduct preparing for Redress of Grievances against Government Misconduct involving FISA and other UnConstitutional violations stretching to abuse Post-911 policies. The documents are “Personal Papers and Effects.” The Misconduct has caused severe damages.¶For personal filemanagement, I filenamed the casefile with an acronym for a code-name type of appellation for an initiative category. Spontaneously and impromptu, I quickly derived and wrote “UTR” on its file folder. This

also functioned well as a directory name for my netbook's file system. Actually, I call the case something like "JCTF vs. Bush et al." I have served in the Air Force during the Bush administration. Then, I learned of these genealogical relatives' roles in Satanic, Globalist, UnAmerican and Treasonous Conspiracies for certain. ¶I've been aware: Malicious UCMJ Infractors and relatives connected to federal agencies became obsessed (overzealous), per surveillance Misconduct, with Retaliation against this they schizophrenically dubbed, "The UTR." Amongst intrusions,

they obsessed to “Look for the UTR” and have illegally hacked it incalculable number of times.

(Hydzik, in motivating conspiracy to commit... is obviously one major culprit involved because I “was doing something” adult in my life.)¶This was motivation of Police Misconduct, including a Pretextual False Arrest, in Yolo County, CA. This County, I have discovered, was a stronghold of my enemies. This was unbeknownst to me when I walked into West Sacramento, on my direction toward objectives, in 2013. This began more joindered cases with intent, amongst others, to

disrupt by their criminal harassments. Since, per discovery, I have inferred the suspicion that this county is such stronghold because it may be the residence of Arnold Shwarzenegger. He has been a connectivity of close, biological relatives of mine through occultic organized crime. This is connectivity with a secret faction obsessed with Ayn Rand Objectivism for treasonous and AntiChristian ideology. (Continued in "Intro2ThisWasMyUTR")

Oath-Statement of Testimonial Credibility and Faithfulness

All accounts of my own authorship, up to and including Paul-Testimony of the Logotank by its Unreliable Manifest Phenomena are Completely Sound, Inferences and Discernments in Corroboration with an Excessively Wealthy of Experiential Witness throughout Continuity of MY LIFE to VERY MATURE AGE. They All are Completely proven to April Immensities, Beyond All Reasonable Doubt, to even beyond full-measure of standards of fact and with the Sonnet of SOUNDING. & They are ALL TOTALLY, COLLECTIVELY FACTUAL. They ARE NOT, neither Reliance upon any such Paid Testimony Witnesses. I AM MOST CERTAIN OF ALL OF THEM, possessing knowledge of Evidence throughly SUPPORTING.

[Said evidence, however, cannot practically, and as constant rule, be integrated REBUTANTLY. (It is not sound, by October in the Field, to accumulate a "load of the Age" to continue, as do my Transcendental and Overzealous Operants.)] [I AM AWARE of another complex at a level of complication: Many Logotank projects (for example: Megan O'Sullivan, former Deputy National Security Advisor, has just announced as a national high-priestess in aid of my biological relatives, and one "Jawick", a Mexican-Panama manager for Woodland, CA, does Logotank - counteracting my authorship, from stolen Intellectual Property and Industrial Workproduct, as Logotank, Kackelers. The I had previously assisted concerning "Notes and Texts of the Logotank." Above Statement obviously does not apply, to these products, authorship or counterparts. I effort to maintain faithful record to which I admit claim of my own authorship via this website.]
